

- Completa linha de prensa cabos com roscas métricas M, PG e BSP nas cores preta e cinza.
- Partes plásticas de nylon PA66 e borracha de vedação de nitrilo butadieno (NBR).
- Temperatura de operação de -40°C a 100°C. Suporta temperaturas de pico de até 120°C.
- Alta resistência a intempéries. Grau de proteção IP68.
- Full range of cable glands with metric thread M, PG and BSP thread in black or gray colors.
- PA66 nylon plastic parts and rubber sealing - nitrile butadiene rubber (NBR).
- Operating temperature of -40°C to 100°C. Supports peak temperatures up to 120°C.
- High resistance to weathering. IP68 protection degree.

Especificações / Specifications
